You are invited to join the UTravel Club for

Our Springtime Adventure to Branson, Missouri

April 25 - 29, 2022

By popular demand, it is time to return to Branson nestled in the Ozarks. We had a great group of travelers in 2019 but many have been requesting another tour in 2022. Please join us for our 2022 Branson Tour for incredible shows and a fun time with your friends from The UBanks UTravel Club.

#1 Hits of the 60's: Relive the British Invasion, Motown, California Surfin', the Age of Aquarius, and more with artists like... The Beatles, Beach Boys, Chuck Berry, Stevie Wonder, The 5th Dimension, Sonny & Cher, The Four Seasons, Elvis Presley, Roy Orbison, Dion, The Temptations, The Supremes, Mamas & Papas, The Monkees, Paul Anka, The Rolling Stones, The Coasters, Leslie Gore, The Carpenters, The Eagles & many more...It'll be the "most fun you'll have in Branson!"

Dogwood Canyon Tram Tour: Step aboard our comfortable, open-air trams and explore the beauty of Dogwood Canyon! This adventure includes a two-hour narrated tour of the park as you pass by bluffs, waterfalls and other scenic views. Plus, you'll cross the Arkansas border and enter the Bison-Elk Country pasture, encountering the largest residents at Dogwood Canyon.

Showboat Branson Belle Lunch Cruise: For an unforgettable afternoon, the Lunch Cruise is the perfect addition to a complete Branson adventure. This classic showboat-style activity transports guest to the days of paddleboats along the Mississippi River. Along with amazing views of Table Rock Lake, enjoy energetic entertainment along with a delicious lunch. Enjoy your cruise!

Clay Cooper's Country Express: This is one of the must-see Branson shows! Headlined by Branson veteran artist, the incomparable Clay Cooper, this is one variety show that brings the music and fun in spades! And it's certainly variety; classic and current country, pop favorites, inspiring gospel, and patriotic music sure to make you proud to be an American. **Jesus Sight & Sound Theater:** Bringing the Bible and its gospel to life right before your very eyes, this production gives amazing insight into the life of Jesus Christ. Follow him from his humble roots as the son of a carpenter to his 'rebel' status from the Pharisees. Along the way, he will perform miracles and prove naysayers wrong with the 'greatest rescue story of all time'! His prophetic words revolutionized the bustling streets of Jerusalem and beyond!

During his life's journey, he will perform miracles from saving fishermen from the raging Sea of Galilee to touching the lives of those who are most unexpected, bringing them to salvation through the word of God. Meet figures like Peter, Mary Magdalene, and Nicodemus as Jesus brings his teachings to the Holy Land. The ever-inspiring message of love, faith, acceptance and salvation of this theatrical event will delight and inspire each live audience member who witnesses its splendor.

The Golden Sounds of the Platters: Stroll down memory lane as you hear Eddie Stoval and The Golden Sounds of the Platters performing beloved songs such as "Smoke Gets In Your Eyes" and "The Great Pretender".

The Hughes Bros Star Dinner Show: The "greatest show" in Branson is astonishing audiences with spine-tingling harmonies, soaring powerful vocals, virtuoso instrumental performances, infectious comedy, and intoxicating multi-layered musical arrangements of the best in pop, rock, R&B, country, classical, Broadway, patriotic, and gospel music. The Hughes Music Show features the charismatic and dynamic Hughes Brothers, their stunningly beautiful wives, the sensational heart-throb teens, the ridiculously talented children, and an award-winning live band all clothed in a colorful array of brilliantly conceived costumes.

COVID-19 PROTOCOL: *Your health and safety are of paramount concern while traveling. CDC guidelines will serve as our operating procedures. Masks will be worn when required and are encouraged for those who would feel more comfortable wearing one. Please do not travel if you have a fever, cough, respiratory symptoms or have been exposed to someone who is sick. There is an inherent risk of exposure to COVID-19 or any other communicable illness and you voluntarily assume this risk.*
